COMPANY PROFILE

From bubbles to butterfly, we teach children 4 months and older how to safely swim in small, fun, and engaging classes. Our program concept includes warm water, excellent instruction, exceptional customer service, teaching aids, equipment and specially developed instructional methods. Since 1986, our classes have taught children the essentials of swimming, how to stay safe in and around water, advanced techniques for competing or eventual life guarding, and everything in between. We also operate Pedalheads Bike Camps, Heroheads Multi-sports

Camps and PH Mountain Biking in ten cities in Canada and the US. Please visit our website at www.pedalheads.com/AtlantisSwim
