

ALPHA BITS

STAYING CONNECTED WHILE APART

MS. ADRANGI

PHYSICS AND SCIENCE TEACHER

RIGHT NOW I AM READING...

Multiple books: Pyongyang (a graphic novel about an illustrators trip to North Korea), and Policing Black Lives (a book about the current and historical racism faced by Black people in Canada- not light reading, but important to educate myself!)

HOW I'M KEEPING BUSY...

Doing pull-ups so that I am still able to rock climb when this is all over.

WHAT I MISS MOST ABOUT ALPHA...

All the students who make me laugh by making fun of...well...me! And having lunch with all the wonderful characters you students call your teachers. Hope everyone still has a smile on their face through all this <3
