About the Foundation

The Jean Ip Foundation (“the Foundation”), a non-profit organization, is named after its founder, **Ms. Jean Sheng-Chi Ip**. Ms. Ip was a Canadian entrepreneur and a devout Christian; her vision for the Foundation was to utilize the agricultural and farming asset from her portfolio as a means of helping those who are in need.

The Foundation’s Mission

On August 6, 2018, the Foundation was registered as a charitable organization under the Income Tax Act (Canada), (Charitable Registration No. 771509718RR0001).

The purposes of the Foundation are:

1. To relieve poverty by providing food and other basic necessities of life to individuals and families who are in need;
2. To advance education by providing publicly available scholarships, bursaries, and other forms of financial assistance to individuals for post-secondary education;
3. To receive gifts, bequests, funds, and property, and to hold, invest, administer and distribute funds and property to such other organizations that are “qualified donees” under the provisions of the Income Tax Act (Canada); and
4. To do all such other things as are incidental and ancillary to the attainment of the foregoing purposes, and to exercise the powers of the Foundation.

The Foundation’s Scholarship Initiative

Beyond charitable activities for local communities, the Foundation is keen to expand its activities under its second core pillar, which is advancing education through scholarships. With this in mind, the Foundation is seeking to collaborate with BC colleges to establish scholarship opportunities for eligible students who are seeking to advance their education—particularly to those students who are in need of financial assistance.
