

Coast Capital Youth Education Awards 2022 Application Form

At Coast Capital Savings Federal Credit Union (“Coast Capital” or “we/our”) we understand that paying for education can be difficult. Whether it’s financial difficulties, family issues, personal loss, lack of supports, or health challenges, many students face barriers to education yet show great resilience in overcoming them. Our Youth Education Awards reward youth who have stayed committed to their education, even while facing adversity. **And this year we’re reserving a minimum of 30% of our awards for IBPOC students**—because we also understand that some youth face more barriers than others.

Help us unlock financial opportunities for everyone and build a better future together.

For 2022, we’re offering the following Education Awards:

Standing Tall Award

43 Awards of \$3,500 available

Our Standing Tall Awards support youth who have faced adversity and have not only risen up against the odds, but are demonstrating a commitment to continue their education. This award is open to students from diverse communities who have faced challenges like poverty, health issues, family issues, personal loss, or lack of supports (for example, youth who are, or who have been, in government care).

Beth Hutchinson Award

One \$5,000 Award available

The Beth Hutchinson Award recognizes a young person in Surrey who best exemplifies a commitment to continuing their education in the face of considerable health challenges. Beth was an inspirational 2012 Standing Tall winner from Surrey. We’re honouring her memory by making the Beth Hutchinson Award available to a student from her home community.
