#### WRITTEN STATEMENTS (500 WORDS EACH MAXIMUM)

In a written statement, please tell us:

1. Describe your brain injury, developmental or psychological impairment.

2. How have you faced or continue to face developmental, psychological, or physical challenges and have not only risen up against the odds, but demonstrated a commitment to pursuing your education?

3. What would winning this award mean to you in terms of helping you achieve your post-secondary aspirations?

If my application is successful, the application and related information may be forwarded to the donor and/or donor's organization.
