Vendor Details:

Choose from our list of 25+ vendors like Chevron, Esso and Petro-can (you have to buy gas anyways! Might as well send some of that money back to our kids!) Amazon and Walmart, Safeway and Save-On, Cactus Club and Tim Hortons...to name a few....

This is your chance to support local business owners too! We recently received a letter from a local business who would like to help fundraise. Garden Works has been added to our gift card vendor list (applies to any Garden Works location). What a great idea for Mother's day and Father's day! Plus they are offering a great return for PAC. They will contribute 16.6% of all purchases to PAC (the highest return offered by any vendor!) If you purchase a \$30 gift card, PAC receives \$5. If you purchase a \$50 gift card, PAC receives \$10.

The opportunities are endless! Our current order form consists of many amazing vendors, however, more vendors are available upon request. Please contact PAC to see our full list.

Your Support Matters:

Please reach out to family members, friends, neighbours and colleagues for their support. For instance, do you know an employer or colleague who purchases large amounts of gift cards? Larger orders bring in more money for our school programs!

Direct Donations to Theatre Company:

If you prefer to make direct donations to Theatre Company, this can be made through District Donations earmarked for our program. Contact Mrs. McAllister for more Information crystina.mcallister@burnabyschools.ca. Anything over \$20, will provide a tax receipt.

Thank you for your support in public education and the Arts!
