Date

Character analysis: the name of the character

Tab at the beginning of every paragraph. Paragraphs should be double spaced. They should contain about 6-10 sentences. If you mention the title of a book or a longer work, it should be in *italics*. Shorter pieces such as poetry are traditionally in "quotes". Tab at the beginning of every paragraph. In the header, write your full name. Then write your Period-4, and finally the date.

If you have a quote from your book, "Make it look like this." (Parsonson 24) If you had already mentioned the author in the text, for example, Ms Parsonson wrote, "Make it look like this. (24) At the end of the paragraph you will need a Works Cited section. Traditionally, this is
