PATHWAY TO SUCCESS AWARDS

Description

BCIT Pathway to Success Awards are for students planning to enter into a full-time first year technology, technical studies or trade program (excluding Apprenticeship) directly from high school.

The intent of these awards is to recognize students who are well-rounded citizens, who have displayed leadership qualities, and have demonstrated that they are willing to work hard to achieve their goals. Commitment and drive are as important as formal academic standing.

Value

Up to six awards towards two consecutive terms' tuition (maximum \$3,000 total, \$1,500 per term).

- Two equal installments over two consecutive study terms.
- First installment will be disbursed as a voucher for term one. Award recipients will receive the voucher by mail. Recipients will submit the voucher when paying for their tuition fees. Students are responsible for paying the difference between their voucher and their full tuition fees by the tuition payment deadline (60 days prior to the start of their program).
- Second installment will be applied directly to student's account in term two before the tuition fee payment deadline. Students are responsible for paying the difference between award and their full tuition fees by the tuition payment deadline.

Students will be responsible for any balance owing on their account.
