

# INVENT THE FUTURE APPLICATION HELP SESSION

*Invent the Future is Canada's first and only three-week summer enrichment program focused on bringing Artificial Intelligence (AI) expertise, community, and mentorship to young women in Grade 9 and 12.*

*Join help session to get tips and feedback on how to submit a strong application to the program!*

*Jan 27, 2022 (Thurs) | 5-6:30 PM*

*Gr. 9-12 young women | Online via Zoom*
