

## Rock hunt

Staying at home feel boring? Let's have a walk and enjoy your walking with your family.

Five rocks are hidden along Portland street down below, and they are well hidden, **KEEP YOUR EYES PEELED.**

**HAPPY EASTER HOLIDAY**

**ENJOY YOU WALKING**

**HAVE FUN !!!**

I placed them on the road of Portland street and Curragh Ave. This is the most challenging place to find the rocks, it is a rock pit with lots of other rocks.

**The Easter rock** represent Easter is coming soon.

**The apple tree** means fruits are healthy and nature rules.

**The rocket ship** represents everything is possible but we need to search for the possibility.

**The flower** represents spring is coming

**The happy face Emoji** represents keep smiling!
