

# Fast ForWord – Student Observation

Grade: Primary/Intermediate

School: \_\_\_\_\_

Please **circle the answer** that best describes how you feel about the following:

(\*Note: use different colour for 'pre' and 'post'.)

How do you feel when ...

(1) ... your teacher gives the class some directions to follow?

(2) ... you get a list of new spelling words to learn?

(3) ... when you have to explain your answer to your teacher?

(4) ... when a teacher asks you questions about what you read?

(5) ... about classes that you have to read (like Social Studies, Science, Reading)?

Have you noticed a difference in your attention span in class, reading skills, or anything else at school or home? Explain.
