Joshua Battencourt

### **Profile:**

Joshua is a 25-year-old university student attending the University of Northern BC. He is studying business and hopes to open his own clothing store one day. In his free time, he plays acoustic guitar and hikes.

### **Tiny Home Information:**

Joshua will be parking his tiny house in his parents' back yard in Prince George, BC. The yard is nicely landscaped, and his mom would like the wheels and trailer hitch of the tiny home to blend in and be hidden. Joshua has a best friend that visits often, so he would like a comfortable place to hang out.

### **Style & Likes:**

Joshua likes cool, darker colours and wood accents. He likes all kinds of music but prefers to play rock music.
