THE GLENWOOD LIBRARY

Spark Book Fairs is Canadian book fair fundraising service. They have books for all ages from Board books through adult books. Most of the books are publisher overstock and are in new/good condition.

The book fair is set to run May 27th - June 9th

During the book fair dates, the school library will earn a 20% reward (in either cash or product). If people still want to buy from Spark Book Fairs outside of these dates, all year long, the school library will still earn a little reward of 5%. Not sure what to buy now? Gift Cards can also be purchased from Spark Book Fairs and the school will also get 20% back.

Orders are shipped directly to your home via Canada Post in 3-10 days after placing the order. There is a shipping fee of \$5.00 but if you order over \$45 worth of books shipping is free.
