

## Memorandum of Understanding – Adobe Creative Suite 3 – Design Premium

I request to borrow the Adobe Creative Suite 3 Design Premium to be installed on one computer at home for educational use. I understand that the Adobe K-12 School Site License software used at home by teachers must be used exclusively for teaching purposes related to the teachers' employment with the school (such as lesson planning and classroom preparation, etc.)

Upon installation, I agree to return the media to the school administrator who is managing the number of take-home privileges.

I will not under any circumstances allow another individual to copy this media for distribution.
