

The red triangle's **communication**

The red triangle's **communication**

I can listen with my ears

I share ideas with my peers

**Communication**

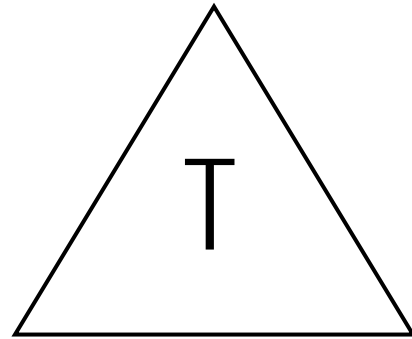

The blue triangle's **creative thinking**

The blue triangle's **critical thinking**

I can explore, create and play

I can solve problems in many ways

**Creative and Critical Thinking**

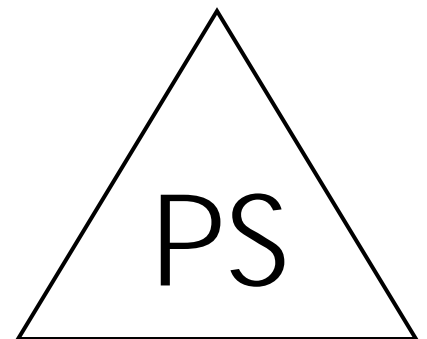

The green triangle's **personal social**

The green triangle's **personal social**

I know who I want to be

I respect others who are different than me

**Personal social**

**The core competencies**

**The core competencies**

They make me a better learner and friend

A kind, happy citizen

**The core competencies**
