

Sunday Best

Hey feelin' good

Like I should

Went and took a walk around the neighborhood

Feelin' blessed,

Never stressed

Got that sunshine on my Sunday best

Ev'ryday can be a better day

Despite the challenge

All you gotta do

Is leave it better than you found it

It's gonna get difficult to stand

But hold your balance

I just say "whatever"

Cause there is no way around it

And ev'ryone falls down sometimes

But you just gotta know it'll all be fine

It's okay

Uh huh

It's okay

It's okay

Chorus

Hey!

Some days you wake up and nothing works

You feel surrounded

Gotta give your feet some gravity to get you grounded

Keep good things inside your ears

Just like the waves and sound did

And just say "whatever"

Cause there is no way around it

And ev'ryone falls down sometimes

But you just gotta know it'll all be fine

It's okay

Uh huh

It's okay

It's okay

Chorus x2

Got that sunshine on my Sunday best

Got that sunshine on my Sunday best

On my Sunday best!
