

# Kama Muta

## Aaron Gage

In each soul a quiet longing,  
In each heart a hopeful song.  
We are bound by threads of caring  
That remind us we belong.

When list'ning without judgement,  
When a friend just holds your hand.  
Ev'ry moment we feel seen  
Helps us truly understand.

There is beauty all around us  
Whether seen or undefined.  
Our song will come alive  
When we see through others eyes  
And our voices start to rise.

**Kama muta,  
Kama muta,  
Kama muta,  
We are moved by the love.**

**Kama muta,  
Kama muta,  
Kama muta,  
How we're moved by the love.**

When laughter breaks the silence  
To relieve us from our pain,  
And compassion builds from sorrow,  
Turning loss to something gained.

Like a village lighting candles,  
For the ones that are now gone,  
Making memories a blessing  
That forever carry on.

There is beauty all around us  
Whether seen or undefined.  
Our song will come alive  
When we see through others eyes  
And our voices start to rise.

**Kama muta,  
Kama muta,  
Kama muta,  
We are moved by the love.**

**Kama muta,  
Kama muta,  
Kama muta,  
How we're moved by the love.**

When we lift each other high,  
Finding joy beneath the cries,  
And the love we feel inside.

When we lift each other high,  
Finding joy beneath the cries,  
And the love we feel inside  
Never dies.

**Kama muta,  
Kama muta,  
Kama muta,  
We are moved by the love.**

**Kama muta,  
Kama muta,  
Kama muta,  
How we're moved by,  
Moved by,  
Moved by,  
The love.**

**Oo.**
