## Permission Form for “O Canada” video project

*Joint collaboration between  
the Provincial Outreach Program: Deaf & Hard of Hearing (POPDHH)  
and CoroVoce Burnaby District Youth Choir, Marlborough Elementary School*

**WHAT:** The POPDHH is initiating a collaborative process with CoroVoce Burnaby District Youth Choir members at Marlborough Elementary to create a video of “O Canada.” Our goal is to create a multi-modal video that includes singing, American Sign Language as well as captions so that our national anthem is accessible to all students and staff, be they Deaf, Hard of Hearing or Hearing.

Here is a [link to the video](#) we will be using in this project. We will edit this video and overlay audio of your child’s voice to it. The edited video will be uploaded to POPDHH’s YouTube channel and shared with the public. No video recording or pictures will be taken for this recording project.

We hope this video will be used not just in our BC schools but across the country. We require your permission to audio record your child singing the national anthem and use that recording in our project. Please sign and return this form if you are willing to allow your child to participate in this project.

**PERMISSION:** We require your permission to:

- Record your child’s voice singing the national anthem.
- Add their voice recording alongside the video referenced above.

**PERMISSION:** We give permission to record our child’s voice in this video project and understand that the recordings will be used in a video project that will be visible to the general public or to anyone with the YouTube link.
