

Kaleidoscope By Pink Zebra

One turn is all we're waiting for,
To show you all we are and more.
Don't look away you'll miss the show.
We're changing what you think you know.
Always in motion, we'll design
A brighter world that we define.
With every twist we change the plot
We'll show you what we've got. (**what we've got.**)

We're like a kaleidoscope. We're like a kaleidoscope.

We're like a kaleidoscope. Oh, whoa whoa!

And everyone that we know is all a part of the flow

And now we're ready to go. Oh, whoa whoa!

Just take a look and you'll see how beautiful we can be.

We're so kinetic and free. Yeah, that's you and me.

We're like a kaleidoscope. We're like a kaleidoscope.

We're like a kaleidoscope. (Come on let's go!)

Oh, whoa whoa! (Let's go!)

Oh whoa oh oh oh!

Oh whoa whoa! (Let's go!)

Here in the space we occupy,

Transforming like a butterfly,

We're taking on another form.

You'll see but don't expect the norm.

Each one of us will play a part
To build a larger work of art.
Far beyond one dimensional,
We are exceptional, exceptional!

We're like a kaleidoscope. We're like a kaleidoscope.

We're like a kaleidoscope. Oh, whoa whoa!

And everyone that we know is all a part of the flow

And now we're ready to go. Oh, whoa whoa!

Just take a look and you'll see how beautiful we can be.

We're so kinetic and free. Yeah, that's you and me.

We're like a kaleidoscope. We're like a kaleidoscope.

We're like a kaleidoscope. (Come on let's go!)

Oh, whoa whoa! (Let's go!)

Oh whoa oh oh oh!

Oh whoa whoa! (Let's go!)

Each time the scene rearranges
We feel the motion and changes.
Our lives are going through stages.
We want to shape a world that portrays us.

Each time___ we feel changes___. **(Each time the scene rearranges.)**

Our lives are going through stages. **(We feel the motion and changes.**

Our lives are going through stages.)

We want to shape a world that portrays us.

One turn is all we're waiting for,
To show you all we are and more,
All we are and more.

We're like a kaleidoscope. We're like a kaleidoscope.

We're like a kaleidoscope. Oh, whoa whoa!

And everyone that we know is all a part of the flow

And now we're ready to go. Oh, whoa whoa!

Just take a look and you'll see how beautiful we can be.

We're so kinetic and free. Yeah, that's you and me.

We're like a kaleidoscope. We're like a kaleidoscope.

We're like a kaleidoscope.

With every turn____. **(Just turn again and you'll see us changing!)**

You see a revelation! **(Another vision is rearranging!)**

Just watch it churn____! **(Just keep on turning and churning, yeah!)**

This is a generation's new creation! Let's go!
