

FREE TRAINING OPPORTUNITY AT VCC

Material Handling 4.0 Training Program

Are you experiencing difficulties finding work? Do you need training/certification and related work experience but can't afford it? Are you interested in the in-demand career opportunities in warehousing and distribution?

If 'yes', you may qualify for VCC's fully funded Material Handling 4.0 training program!

PROGRAM DESCRIPTION

Material Handling 4.0 (MH 4.0) is a comprehensive nine-week training program that provides employability and vocational skills training to equip participants for warehousing, forklift operations, material handling and other related roles. Seven weeks of classroom training uses a blended delivery model of in-person and on-line instructions followed by two weeks of paid work experience with a local employer.

Important Note: Participants must have access to a computer or a laptop with high speed Internet connection/Wi-Fi, and audio/video features.

TRAINING SCHEDULE

Cohort 1: October 18 – December 17, 2021

Cohort 2: January 24 – March 28, 2022
