LIB 17	HOSPITALITY & TOURISM	Irene Lee	FLIGHT ATTENDANT / TRANSPORTATION / SERVICE / SAFETY		REAL ESTATE	<p>Hello students, I am a flight attendant working for Air Canada for over 20 years. My main job duties include but not limited to guide and assist for safety and comfort to passengers; always conduct safety check before flight; greet and communicate with customers; prepare and serve drinks and food to passengers etc.</p> <p>Many of my fellow flight attendants come from different educational backgrounds. I personally hold a Bachelor of Commerce Degree from UBC. The prerequisite for this job may not need a degree, however, a second language is definitely an asset. I can speak fluent English, Cantonese, Mandarin and some basic Japanese and French. People skills and situational awareness is what most airlines look for these days.</p> <p>It is a rewarding career where it allows my family and myself to travel the world utilizing the employee benefits. The pay is average however considering the amount of time you work per month, which is between 70-100 hours, it gives you a lot of time off to recover from the long working days and the jet-lagged. It also allows me to run a second career in Real Estates.</p> <p>Please drop by if you would like to learn more about this</p>
