# B OUTSIDE!

## Mondays with Megan Zeni

### A series for Early Years educators StrongStart - Gr.3

---

SESSION 3 - JANUARY 18TH | 3:30-5PM

Math and Science are everywhere in the garden! This session will share stories of joyful learning, with examples of how we might spark wonder and curiosity outdoors. Participants will learn how to weave an emergent curriculum with play, place, and land in the outdoor classroom. A zoom link will be sent to participants a few days before the session.
