

# Outdoor Ed. Materials

*Wednesday Wander created by Dawn Howey & Roz Duchesneau*

## Art & Literacy

clipboards, paper, crayons, felts, paint, brushes, various containers, chalk, fabric, scissors, pastels, stories, paper bags, wire, pipe cleaners, spray bottles, string, wool, outdoor easel, small table (Costco), playdough, puppets, loose parts for storytelling (our bins are ready to go).

## Math & Science

flashlights, sheets, books, buckets, scales, shovels, utensils, plates, pots, pans, baking containers, bowls, tubes, ramps, magnifying glasses, compass, binoculars, shadow play items, puppets, prisms, animals, plastic bugs, wooden boats, anything that water can be explored in or with, sharpies, chalk.

## Fine Arts

ribbon, Bluetooth speaker, tapping sticks, metal items to hang, parachute

## Other

tarps, sit upons (can be table placemats or self-made), Kleenex, paper towels, wagon, whistle (we use this as an emergency signal to students to come to an adult immediately) walkie talkies, garbage bags, first aid kit & BOOTS

## Sources

Value village, thrift stores, dilly dally, ask everyone you know for free stuff, dollar store, Vancouver Reggio Association, carpenters, plumbers (we ask these professionals for spools, wire, containers, etc...whatever they have and are not using, Costco wagon, lots of containers from home depot and Rona
