**/R/ -sound**

Dear \_\_\_\_\_,

We are working on the /r/ sound in speech therapy in the:

initial      medial      final      mixed

position(s) of:

words      sentences      conversation

Please provide these reminders when working on this sound at home:

1) \_\_\_\_\_

2) \_\_\_\_\_

3) \_\_\_\_\_

Please try to practice:

\_\_\_\_\_ times a week for \_\_\_\_\_ minutes

Thank you for your support!

**/R/ -sound  
initial position**

Cut out the cards below and on the page that follows.  
Practice working on the /r/ sound while you play "memory".

\*Please note that the fruit pictured below is a raspberry.

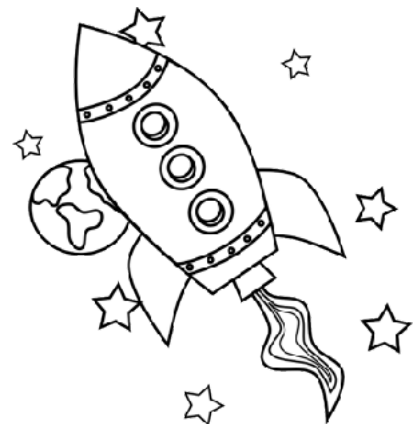

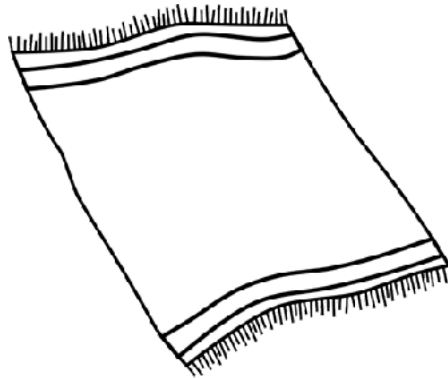

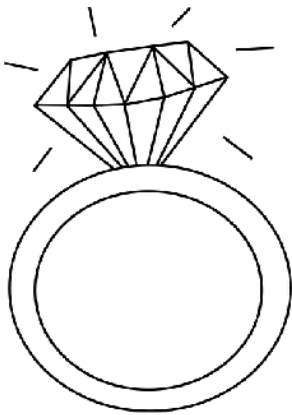

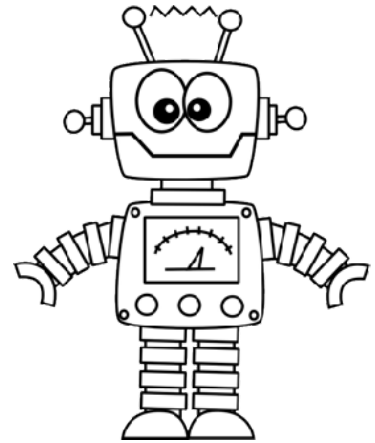

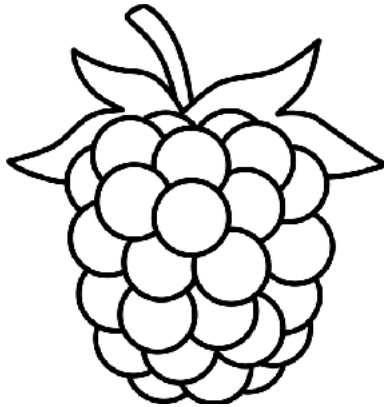

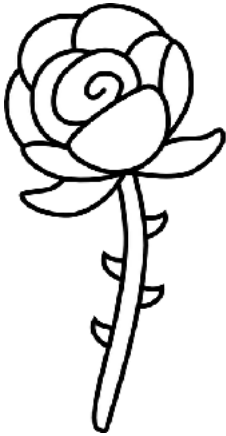

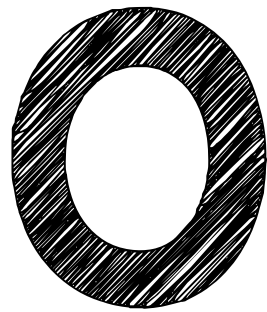

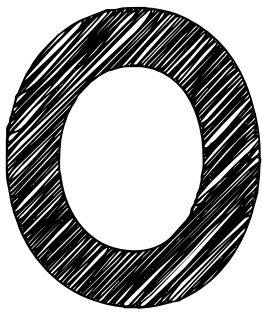

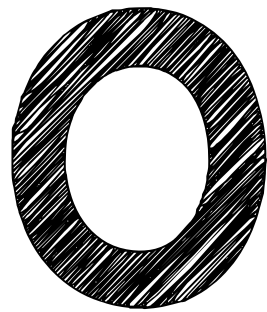

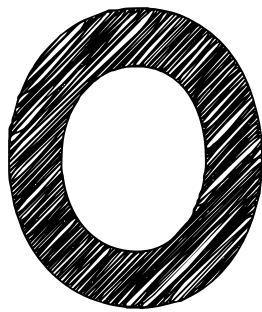

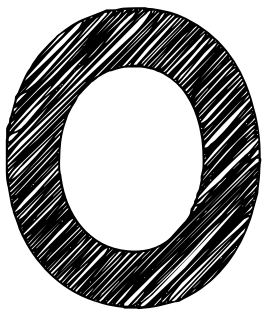

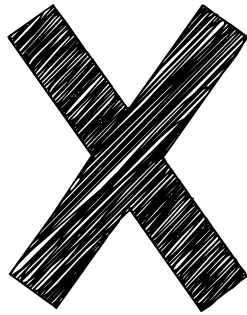

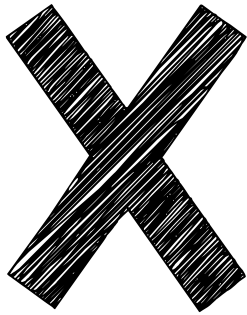

Cut out the cards below and practice working on the /r/ sound while you play "memory".

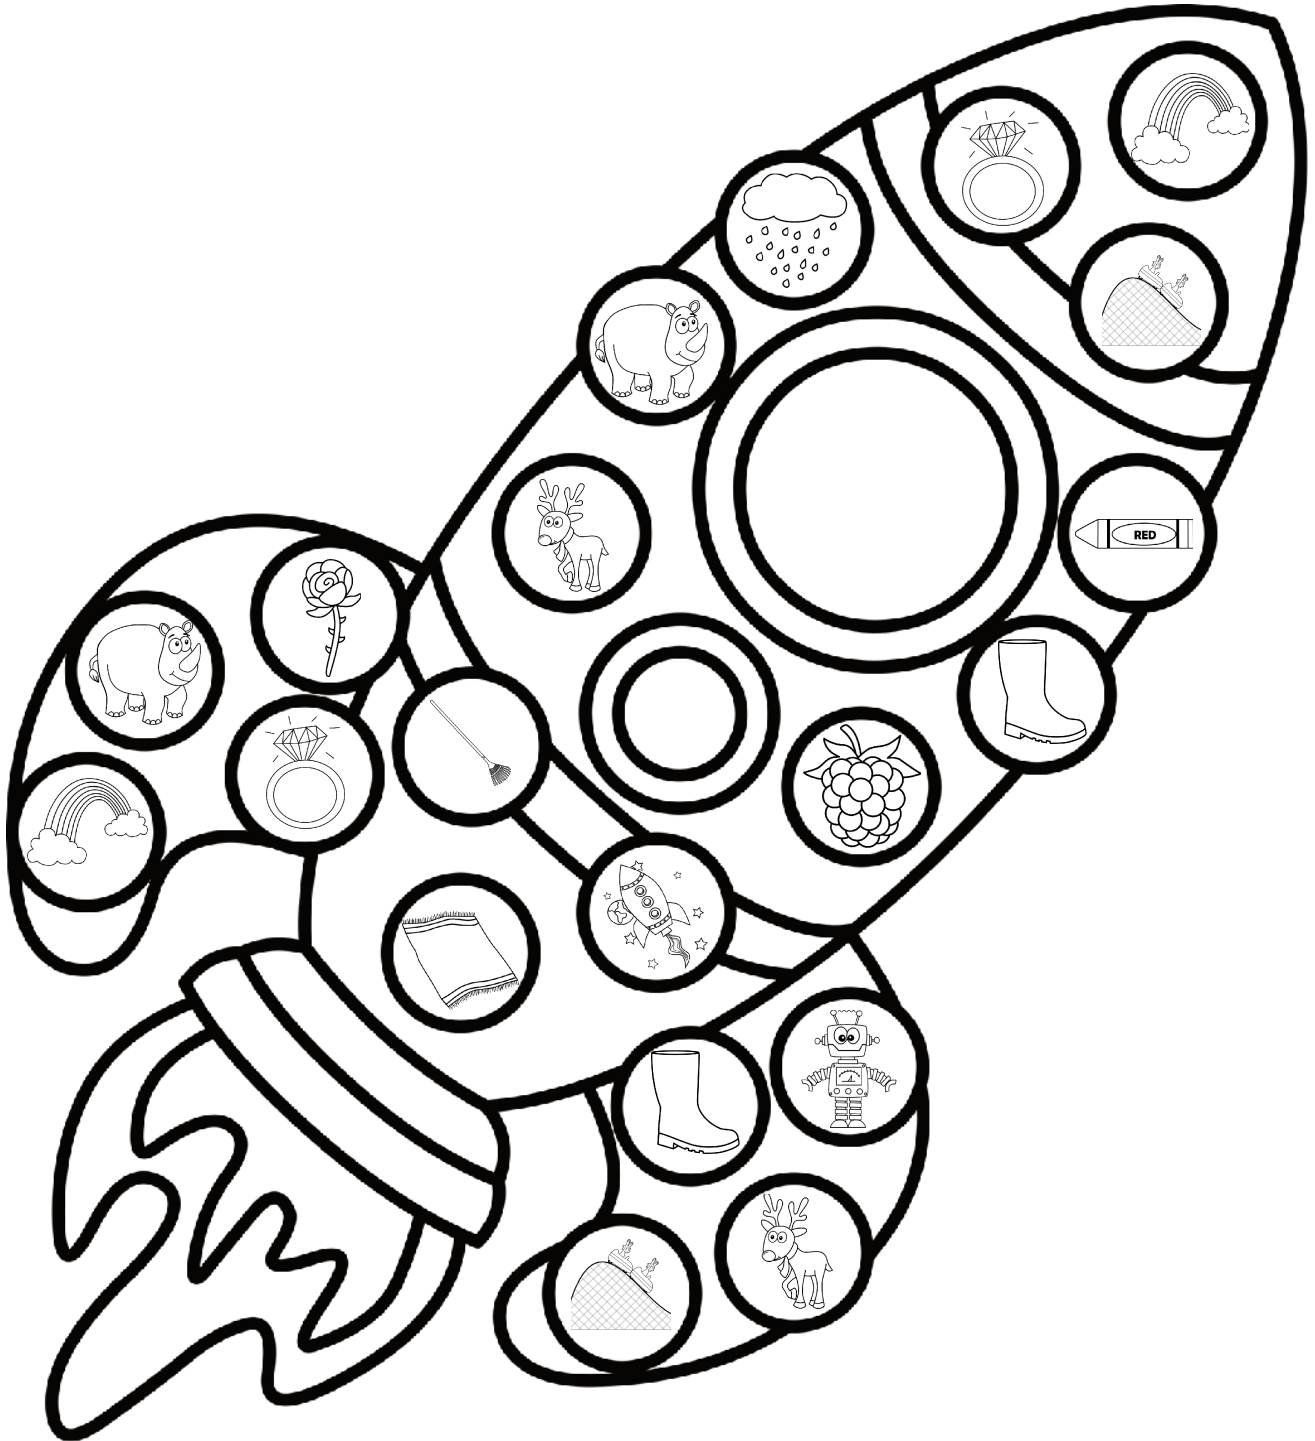

## Tic-Tac-Toe

Cut out the boxes on the page that follows. Then, place the x's and o's on the board as you play tic-tac-toe with a partner.

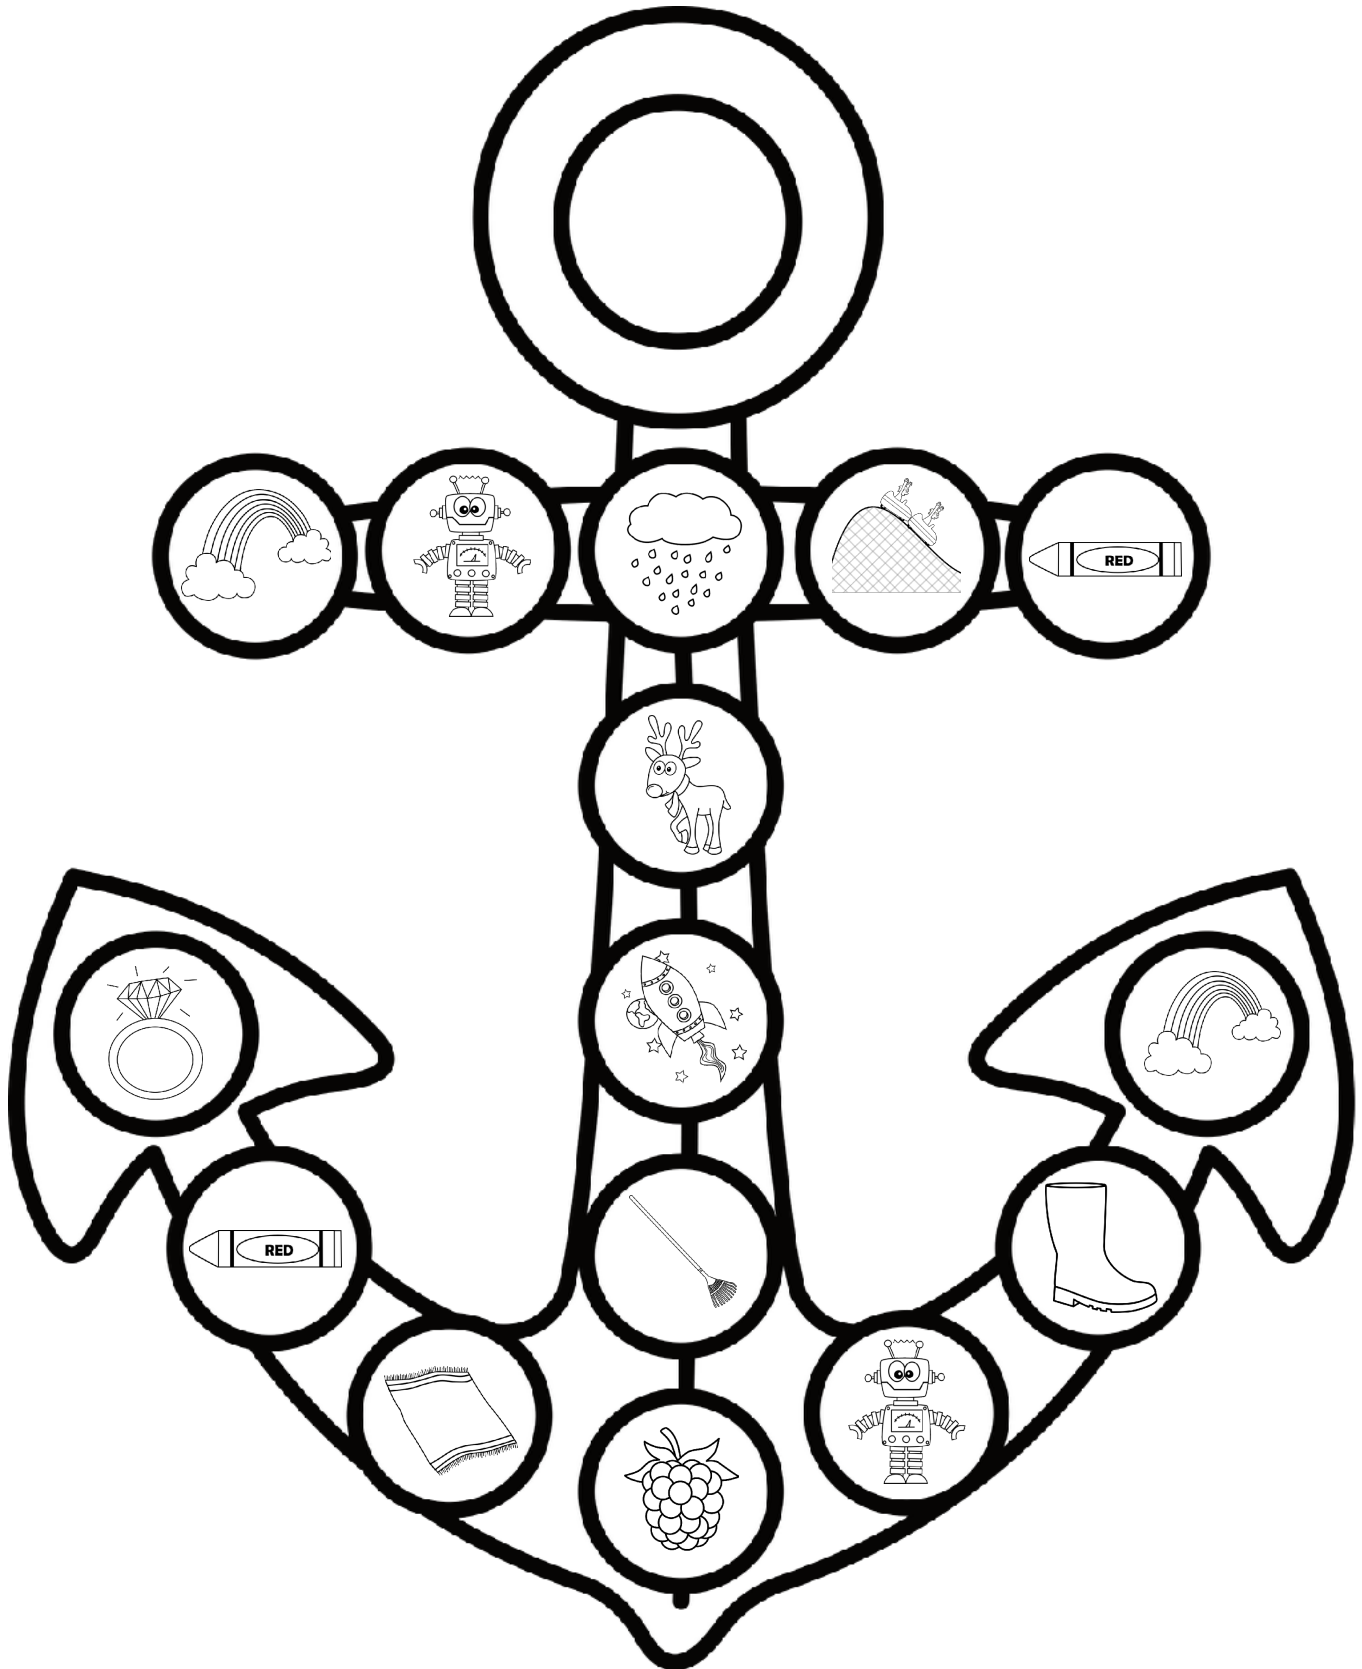

Color or dab a dot, each time you say a word that is pictured.

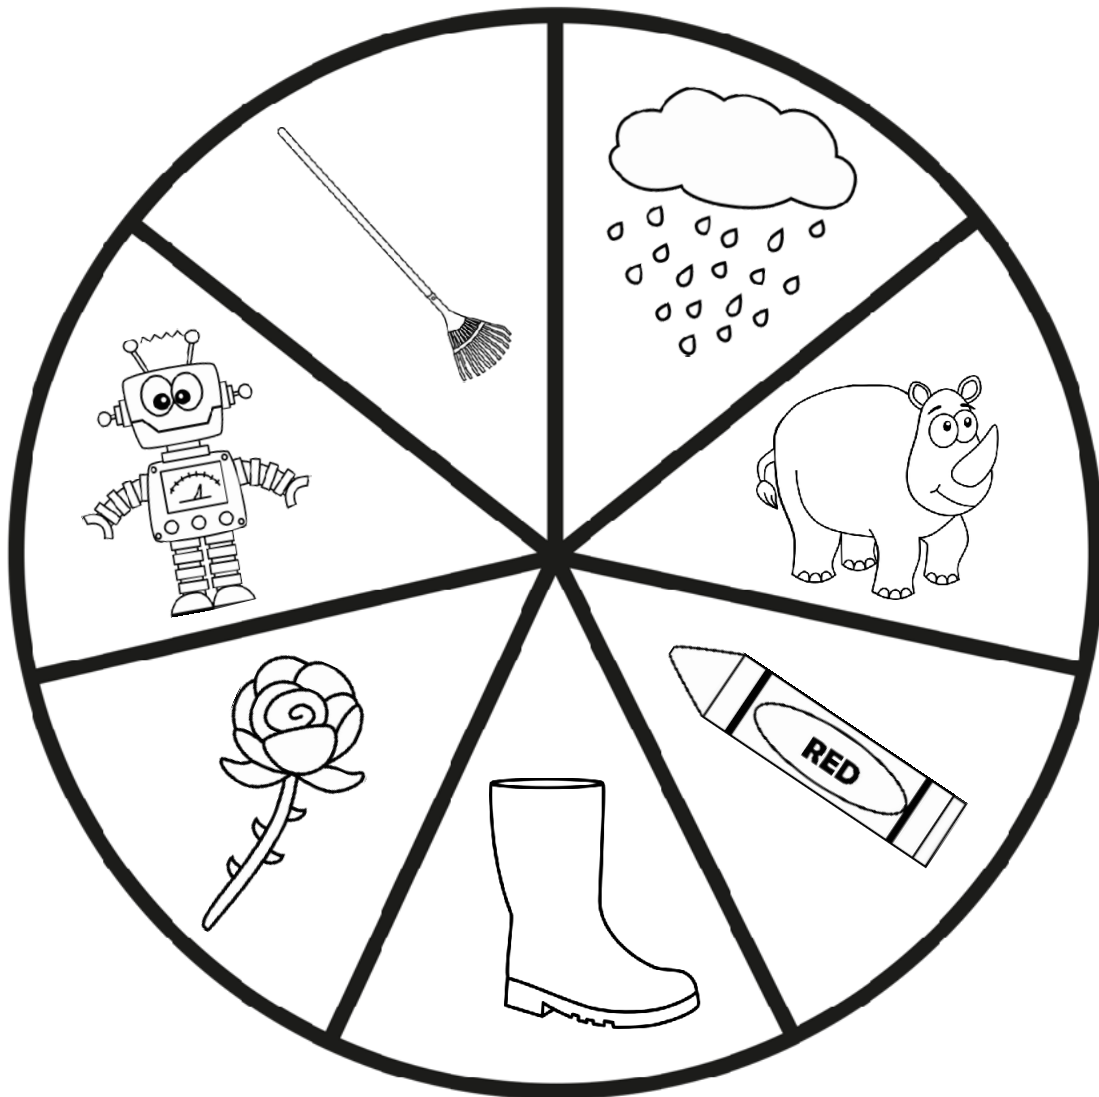

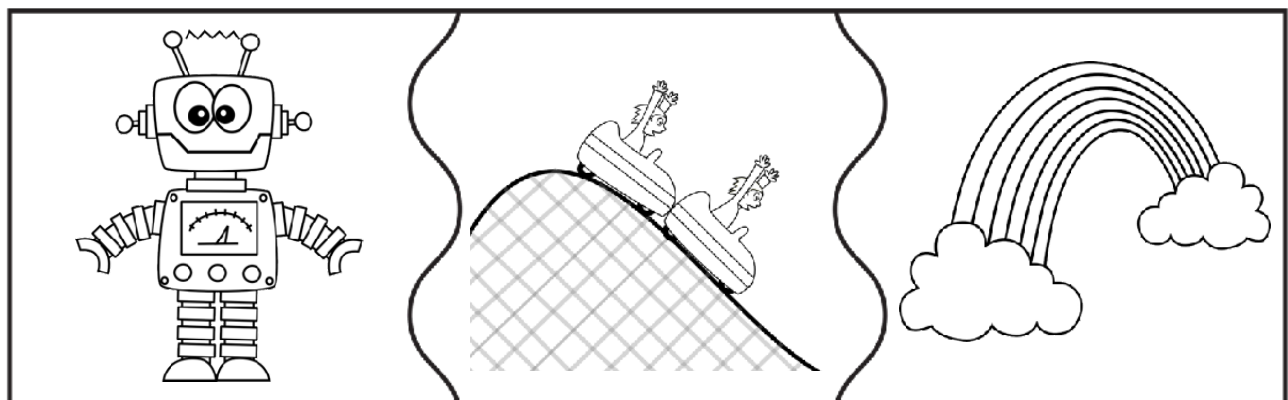

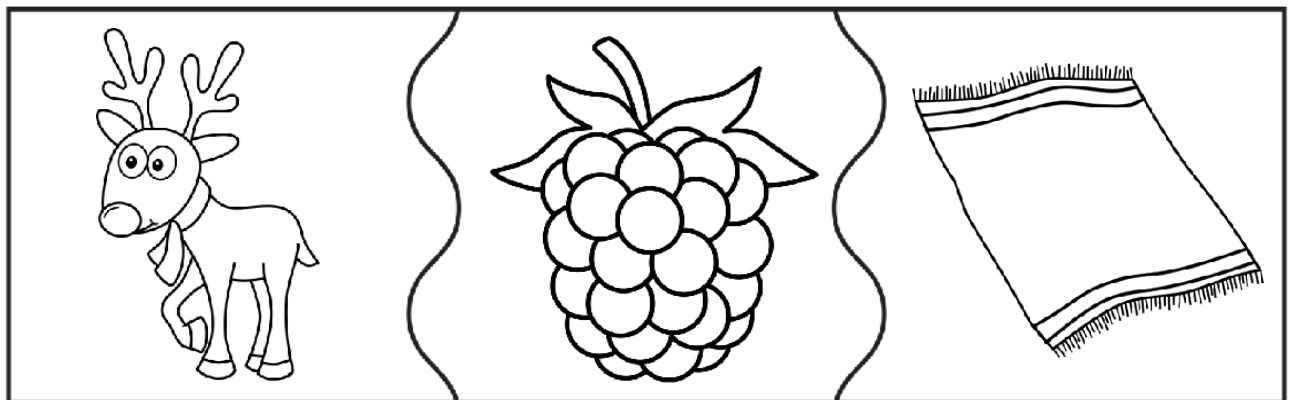

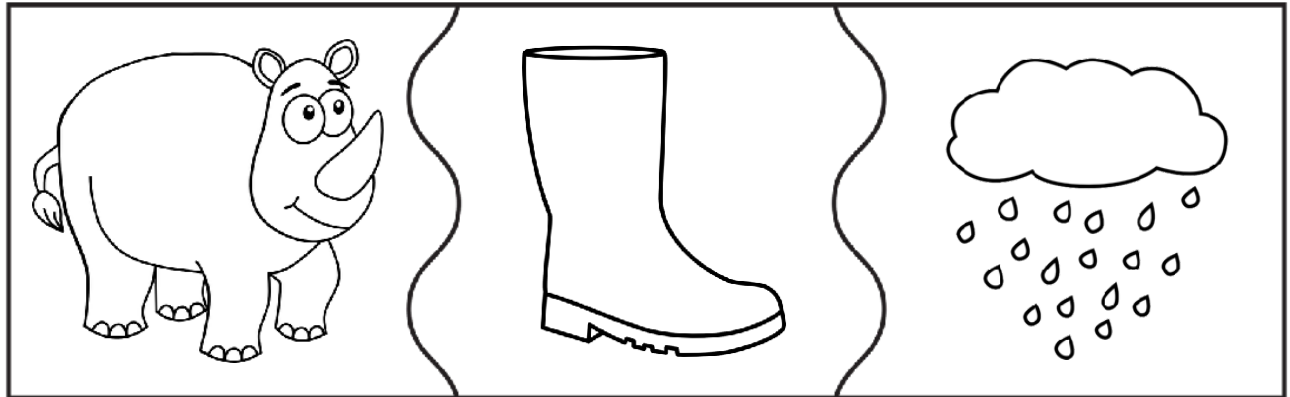

Each time you say a word that is pictured, color or dab a dot.

Use a pencil to secure a paper clip over the middle of the spinner. Then, spin the paper clip. When it stops, say the word that word in a sentence, then color it.

**Cut apart the puzzle pieces. Put them back together, while making up a silly story using the words pictured.**
