SCIENCE/MATH ENGINEERING DESIGN (STEAM) PROGRAM APPLICATION

This **MUST** be completed before a student will be considered for placement in the STEAM Program

- STEAM Program engages students in an academically rigorous core curricula, promoting a strong foundation in Science, Math, and Design relevant to real-world contexts
- NOTE:** Students applying are not automatically accepted and will be selected based on this application
 - If you have any samples of work to support your application (videos, paintings, sculptures, robots, etc), please take a picture or recording and send them to burnabysouthsmd@gmail.com by April 1st

- What are some of your interests outside of school?

- What activities, clubs, hobbies, or sports have you participated in?

- Do you play Minecraft or Super Mario 64? Why do you enjoy playing these types of video games?

- Give an example of something you made/did/created that you are proud of. Describe how long it took to finish, and any problems you encountered (ie: coding, building a bridge out of Popsicle sticks, making a robot).
