Course Selection

- Sometimes it is NOT possible for us to give you your 1st Choices → usually in your electives

 - *ie: you completed a course in Summer School (SS 11, English Studies 12)*
 - *You require the course for University Admissions*
 - *ie: Pre-Calculus 11 or Chemistry 11*

Course Selection

- What is NOT considered a Legitimate Error?
 - *Not “liking” your course you’re enrolled in*
 - *Not having any friends in your class*
 - *Not liking the time of day the class is in your timetable*
 - *You want to have a specific teacher*

- **NOTE: Business Post-Secondary Advice**
 - Business programs in University are VERY competitive and often look at “well rounded” students, so think about the following courses:
 - AP Microeconomics, AP Macroeconomics, AP Statistics, Financial Accounting 12, Economics 12, Marketing & Promotions 11, E-Commerce (Marketing) 12

Admissions Updates: SFU & UBC

- **UBC** has changed how they are evaluating student applications
 - No matter what Degree students are applying to, UBC will now broadly evaluate academic history, by looking at **ALL** Academic Grade 11 **AND** Grade 12 Courses
 - UBC will exclude the course with the lowest grade → UNLESS it is not a requirement of the faculty you are applying to (ie; English Studies 12, Pre-Calc 12)
 - UBC will also look at individual grade in KEY COURSES → so you **MUST** have strong grades in these courses (ie: English Studies 12, Pre-Calculus 12)
 - Each Faculty has their own Degree-Specific requirements - check UBC website for details

- **SFU** has changed how they will be evaluating student applications
 - All applicants must present a minimum of 5 approved Grade 12 courses (including English 12)
 - Each Faculty has a list of courses (“List A” & “List B”) which will list specific courses required for their faculty - check SFU website for details
 - **NOTE:** If you are applying to multiple programs, **YOU MUST TAKE REQUIRED COURSES FOR BOTH PROGRAMS** (ie; Faculty of Arts & Faculty of Science)

BC University – Second Language Requirements

- Although **not a high school graduation requirement**, most BC Universities require students applying directly from high school to have completed at least a Language 11 (ie; Spanish 11, Punjabi 11)
 - **SFU** will accept an Introductory Language 11 (ie; Intro Spanish 11)
 - **UBC** will ONLY accept a Language 11 or 12 (NOT Introductory 11)
 - However, some faculties require a Language 12 to Graduate from (ie; Faculty of Arts). If you do not have a Language 12, then you must complete a 1st year language course (ie; spend \$\$ on an extra course)
- Some faculties at Uvic DO NOT have a second language requirement (ie; Engineering, Sciences, Business)
- If you are an ELL Student, and came to Burnaby South AFTER Grade 8, you “may” be eligible for a Language 11 and/or 12 Credit
 - If you think you may qualify, please check with your Counsellor

“Possible” Post-Secondary Entrance Exams

➤ **SAT** - Check out www.collegeboard.com

- A requirement for American Universities/Colleges for entrance
- If you are thinking of attending school in the US, you **MUST** write the SAT's no later than the Spring of Grade 11 → so **THIS SPRING!!**

➤ **LPI** - Check out www.lpi.ubc.ca

- A language test required by UBC and SFU (and other universities) for those students with a final grade of less than 75% in BC English Studies 12 or BC Literary Studies 12
- Check the websites of all colleges and universities that you are applying to for updates on this requirement

➤ **TOEFL**

- BC Universities vary - generally NOT required for students with 4 years of instruction in English.
 - *Confirm with each University*
- Other provinces & USA - NOT required for students with 5 years of instruction in English.
 - *Confirm with each University*
