WHAT'S BEEN HAPPENING IN OUR LIBRARY LEARNING COMOOMS

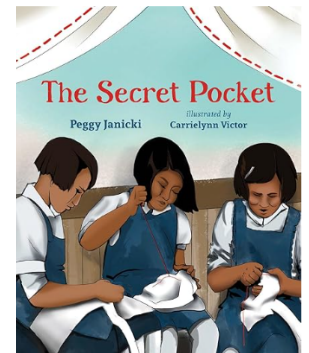

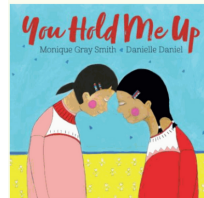

## School Wide Read: Walking Together

This month in the library all students in South Slope and BCSD read **Walking Together** by Elder Dr. Albert D. Marshall. We discussed what we thought the authors wanted us know and how we could “walk together in a good way” with each other on this land. This book was our inspiration for our Orange Shirt Day walk to David Grey Park and Central Park.

## Truth and Reconciliation

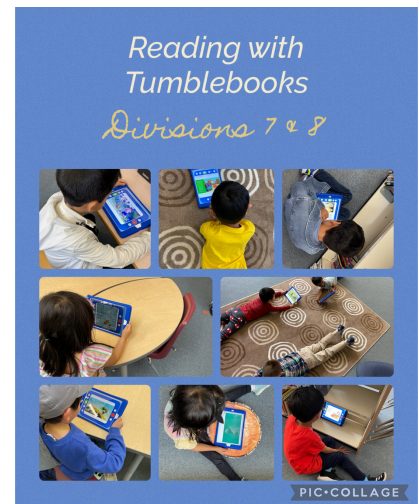

We continued our thinking about Truth and Reconciliation with more read alouds in the library. To recognize International Week for Deaf People, we watched **You Hold me Up**, **When were Alone** and **When we are Kind** in ASL.

## Tumblebooks

Many primary students have been using Tumblebooks in the library with our school iPads. They are learning how to navigate the app to watch and listen to story books, non fiction and more. Listening to reading is one of the best ways for students to develop comprehension, fluency and, most importantly, experience the joy of reading. Contact Mrs. Araujo or your child’s teacher to learn how you can access this resource at home.

# South Slope/BCSD Library 2024/2025
