What are **Schulich Leader** Scholarships?

Schulich Leader Scholarships are prestigious entrance scholarships awarded to high school graduates enrolling in Science, Technology, Engineering or Mathematics (STEM) programs at our 20 Canadian partner universities (see reverse).

Recognizing the increasing importance and impact that STEM disciplines will have on the prosperity of future generations, businessman and philanthropist Seymour Schulich established this \$100 million scholarship fund in 2012 to encourage our best and brightest students to be the next pioneers of global scientific research and innovation.
