

Share Your Stories

Stories of learning happen all over our district and we're on the hunt to collect them to share.

Tell us a great activity or unit in your elementary class that demonstrates how you blend technology and curriculum. Share your experience and you can be entered in a draw to win a fabulous, most fabulous prize. (No, it isn't a fancy pencil on a lanyard.)

Criteria for Contest Entries:

Make a video (*less than 2 minutes) explaining:

- what you did (including goals),
- what worked and,
- what you would change.

When you're ready, fill out this extremely short form to upload your video (sign into your O365 account). <http://tiny.cc/u4mbtz>

All videos will be shared in our district to inspire and showcase our learning. You can enter as many times as you like.
